CASTLE WAFER; THE PLAIN GOLD RING. By the author of "East Lynne; Or, The Earl's Daughter

octave paper, 75 cents cloth. Wood's celebrity dates from the spp novel called 'East Lynne,' which we noticed, with high commendation, a few months ago. The book was read, spoken about, praised, and purchased in England, and just when public excitement about it had somewhat subsided, out came The London Times with a long and landstory critique, which immediately caused a demand for a new edition, so completely does that newspaper influence the mind of England. The reading world knows nothing to this hour of Mrs. Wood, ex-East Lynne; some good novelettes, too, among which may be counted 'The Six Grey Powders."—[Commercial Adver-
